How to use

What is 'SKY HOP BUS'

We mainly operate open-top double-decker buses with bus stops near Kyoto's major tourist destinations. You can freely hop on and off of the bus as long as the ticket is valid.

Ticket purchase

You can purchase tickets when you board the bus directly on our bus stop.

Freely hop on and off of the bus

After purchasing the ticket, go straight to the bus. Starting from the first boarding, you can board as many times as you like within the valid time period.

※ The bus ticket service to Fushimi Inari Shrine is not available during normal operating hours as it will be operated for a limited time only.

Since the Sky Hop Bus has a trash can inside the car, please dispose of your trash in the trash can inside the bus.
